Prophetic word

Here is an interpretation of the message spoken in tongues at the joint 10.30 am service on 29 January: *My love is like an ocean. I want you not just to paddle in it but to wade in it and swim in it. It is endless and deep, and I want you to experience the depths of my love and the power of my Spirit. As you grow in that, the tide will come in. It may come in gentle, little waves or it may come as a mighty storm, but it will come.*
