*Important—Your Personal Information

A new law on Data Protection (the *General Data Protection Regulations*) comes into force in May. To comply with this, we have to review the personal information we hold about you, and you need to tell us how you wish us to communicate with you.

To help achieve this we have prepared individual consent forms, now available at the back of church or from the office. Please help us to complete this necessary task as quickly as possible by:

- **Choosing** your preferences. Ideally we would like to make more use of email to save costs, and to have everyone on a Church Directory.
- **Completing** your consent form by confirming your details and preferences. Please return it by Easter, either at a service or to the office.
- **Please Ask** if you aren't sure about anything. We realise it may be confusing and a concern to some people. We are glad to answer questions and to help if needed.

Teenage Refugees

Nigel and Rachel Poulton feel it is a privilege to continue to welcome and care for teenage refugees. They have three with them at the moment, and a fourth expected soon. All have endured appalling journeys and many have been tortured. In addition to looking after the boys (and caring for the rest of the household) there are lots of appointments, meetings, phone calls, etc. associated with each one. Nigel and Rachel would appreciate our prayers. If anyone would like to offer practical help with outings, lifts, babysitting or activities, it would also be much appreciated. Please call Rachel if you would like to help—07540 826345.
