*Important—Your Personal Information

A new law on Data Protection (the *General Data Protection Regulations*) comes into force in May. To comply with this, we have to review the personal information we hold about you, and you need to tell us how you wish us to communicate with you. To help achieve this we have prepared individual consent forms, now available at the back of church or from the office. Please help us to complete this necessary task by:

- **Choosing** your preferences. Ideally we would like to make more use of email to save costs, and to have everyone on a Church Directory.
- **Completing** your consent form by confirming your details and preferences. Please return it by Easter, either at a service or to the office.
- **Please Ask** if you aren't sure about anything. We realise it may be confusing and a concern to some people. We are glad to answer questions and to help if needed.
