## A message from Martin and Libby Rose

Many of you know that our son Louis and Miriam (his wife since July this year) are both qualified doctors; they are currently doing voluntary work in Vanuatu, a Pacific island nation, linked with an Australian Christian charity. One case they have come across is Jeremy, who has a badly broken arm. They were instrumental in arranging surgery in a more developed country (NZ) and have secured funding for his surgery, but need more funding for associated costs. They really want to make things happen to change his life - please go to <https://www.gofundme.com/>, search for 'save Jeremy's arm Rockhampton City' and consider donating to this fund, which has been established by a New Zealand pastor at his local church.
